## LISTENUP! by Whitney

Going on a road trip this summer? Then try listening to your next great read! [Click here](#) for some audiobook award winners and listen to the sweet sound of your new favorite titles brought to life by some of the best narrators in the biz! My personal suggestion: **Modern Romance** by Aziz Ansari & Eric Klinenberg: a humorous take on today's dating world with both hilarious anecdotes and extensive insight into the highs and lows of today's dating dilemmas.

## LET'S TACO 'BOUT IT by Kelley

Summer cooking is tricky. Fire up the grill? A nice big salad? Or sometimes a fruit and cheese plate fits the bill. But these **Roasted Sweet Potato and Black Bean Tacos** are a staple at my place- all 4 seasons. What makes them extra special is the Tortillas Dorado! They sound fancy but they're easy! It's just melted cheese on a corn tortilla and boy does it make it tasty! And you can mix up the filling if you're feeling creative. I've added corn, jalapeno and avocado! ## SUMMER LOVIN' by Kelley » LOVE «

Ah, summer romance...let us go back to the 40s, to the **original Rom Coms**. If you can overlook some of the overt misogyny, they're great fun! Here are some of the best for these hot summer nights: [titles link to library catalog](#)

- Glass Bottom Boat
- People Will Talk
- Bringing Up Baby
- Pillow Talk
- Mr. Blandings Builds His Dream House
- The Secret Life of Walter Mitty
- I Was a Male War Bride

## WRAPPING UP PRIDE MONTH by Lauren

Continue your celebration of Pride month with the Netflix original **Sense8**. This critically acclaimed Sci-Fi Drama series, directed by Lilly and Lana Wachowski, has several Gay and Lesbian characters in its starring lineup, along with the *only* transgender actor to star in any series (TV or streaming—Noomi, played by Jamie Clayton). The content is explicit, so put the little ones to bed and enjoy this provocative show!

## ACROSS THE RIVER

**Summer Fridays at the Frick:** 6/23-9/8. A 12-week outdoor series featuring a variety of entertainment for all ages and tastes. The diverse lineup includes the folk rock group The Coteries, a night of music and dance with Tuika's Polynesian Island Magic and a family-friendly edition of the monthly In Bed By Ten dance party. Pack a basket and picnic on the Frick lawn, visit food trucks serving everything from gourmet macaroni and cheese to homemade ice cream sandwiches, or enjoy a more formal dinner at The Café at The Frick. ## YA BOOKS FOR US by Stacie

Teen books are among some of my favorites. A recent novella has captured my attention again, **Down Among the Sticks and Bones**. Continuing Seanan McGuire's tradition of getting to the heart of myth and fantasy in all of its beauty and darkness, this prequel to 2016's *Every Heart a Doorway* explores the early lives of 2 sisters as they discover a magical portal to another world. Enthusiastic comparisons to *The Chronicles of Narnia* and *Miss Peregrine's Home for Peculiar Children* mark McGuire's *Wayward Children* series as a new fantasy classic. [Click to get McGuire's book!](#) Other great teen titles:

- *Eleanor and Park* by Rainbow Rowell
- *American Girls* by Alison Umminger
- *The Sun is Also a Star* by Nicola Yoon
- *The Smell of Other People's Houses* by Bonnie Sue Hitchcock
