Library Catalog Q&As | 2/6 1:00-2:00 OR 2/7 6:30-7:30 Have some questions about our newish library catalog? Would you like to learn a few tips and tricks to make requesting books and finding resources a bit easier? Join one of our favorite library staff members, Grace Abbs for a quick and dirty Q & A session all about the library catalog.

Terrarium Workshop | 12:30-2:00 Join Allegheny County Parks to design and build a terrarium with native plant species. The program will consist of planning, discussing plant care and requirements and creating your own terrarium. You'll leave with a beautiful terrarium to enjoy for years. An \$8 materials fee for this program is due at registration; please pay by calling the reference department or stopping in. Adults 18+ only.

Awake @ The Library | 2/12 6:30-8:00 Our second discussion will center around LGBTQ+ issues, specifically anti-discrimination laws with guest speaker, Susan Yohe, Chief Diversity and Inclusion Officer at Buchanan, Ingersoll and Rooney, PC. Susan assists firm leadership in attracting, retaining and elevating diverse talent across the firm's 19 offices. Join us for a lively and engaging conversation!
