MARCH HIGHLIGHTS

Jane Austen Chat 2:00-3:00 Join local Jane Austen Society of North America member and life-long Janeite, Mell Steven-Cosnek for an intimate, casual discussion of the iconic author, Jane Austen. Her life, times, books and all the austen-ness you can handle. We'll have a lovely chat with tea and snacks in our cozy reading room.

The Power of Mentoring | 3/14 6:30-8:00 People in all areas of life benefit from a trusted friend and guide—a mentor who can help us achieve our goals and value our talents. Are you interested in making a difference in someone's life? Join us to learn more about the Center for Women's mentoring program, and we will complete a series of fun, reflective exercises about our own personality traits and gifts. Hosted by The Center for Women. Adults 18+ for this workshop. Both men and women welcome!

Awake @ The Library | 3/19 6:30-8:00 Our 3rd session in our Awake at the Library series: The Human Library, an initiative coming from the Consumer Health Coalition for social change based on the power of a person's story. Through the Human Library, people share their experiences living with and in recovery from behavioral health issues with individuals and community groups. The Human Library project originated in Denmark and has grown tremendously as people all over the world invest in the power of individual's stories.

Afternoon Tea | 3/30 2:00-4:00 Join us for a cozy afternoon tea with Tupelo Honey Tea from Millvale. While we'll definitely have some hot tea, the afternoon will focus on ICED tea! We'll have scones, cookies and mini-savory treats too. Danielle from THP will share a delightful presentation all about the world of iced tea. There will be music and of course, great conversation with your friends! This is a BYOC event (Bring Your Own Cup) so be sure and bring your favorite tea cup or mug in which to enjoy tea.
