# JUNE HIGHLIGHTS

**Death Cafe| 6/7 7:00-8:00** A Death Cafe is an open discussion about death with no agenda, objectives or themes. It is a discussion group, not a grief support or counseling session. It may sound strange, but the goal is to increase awareness of death with a view of helping people make the most of their (finite) lives. And there's cake!

**Nuttin' But The Truth Book Club | 6/11 11:00-12:00** CSCL's newest bookclub and it's for lovers of nonfiction. History, memoir, science, philosophy! We're getting at the truth! Real stories and real people in all genres! Please register online - space is limited. Our first book is *Bellevue: Three Centuries of Medicine and Mayhem at American's Most Storied Hospital* by David Oshinsky. Stop by the library to pick up a copy.

**Life on Mars | 6/21 6:00-8:00** It's time for humans to go to Mars! In the 60's and 70's, lunar missions were designed for flags and footprints -- political statements with no extended plans. Mars is a planet with 1/3 of Earth's gravity, subsurface water and a thin atmosphere, all of which allows for the possibility of colonization. It takes a planet to achieve this goal. Who will be first to make Mars their home? Join Astronomist Diane Turnshek for this family-friendly presentation on all things MARS! Ages 12+.

**Adulting Series: Budgeting for Newbies | 6/27 6:00-8:00** Learn how to create a money plan that works for you with Patrick from NeighborWorks. This interactive workshop about making the most out of your money will cover crafting a spending plan, the best methods for short and long term savings, setting financial goals, and the ins and outs of credit.

**Outdoor Summer Concert Series: Traveling without a Ticket: Guitar and Clarinet music of Italy, Argentina and the US | 6/29 7:00-8:00** Bring a blanket, a picnic, some wine. Bring the family! Join us for a new monthly casual and intimate evening concert this summer in our Welcome Garden. Sponsored by N'Stuff Music store in Blawnox.
