SEPTEMBER HIGHLIGHTS

100 Things to do in Pittsburgh | 9/11 6:30-8:00 Rossilyne Culgan will share highlights from her book *100 Things to Do in Pittsburgh Before You Die*. Discover itineraries and tips on what you'll discover in the Steel City. Scale Mount Washington on the Incline! Admire the artwork of Andy Warhol! Kayak the three rivers! History buff? Travel back in time to the drama of the Whiskey Rebellion, which unfolded right here. Devour a Primanti's sandwich topped with french fries—and dine at one of Pittsburgh's many new culinary hotspots! Maybe even pick up a little Pittsburghese, yinz.

Korean Hand Therapy | 9/14 12:00-4:00 Would you like to learn how to diminish or relieve chronic pain in your neck or back by learning a simple technique called Korean Hand Therapy? KHT is a holistic healing modality involving a connection between the hands and the entire body. Pain throughout the body can be diminished or eliminated in minutes by taping small metal disks (called pellets) to the hands. Each participant will receive a treatment kit and be certified. Event fee is \$100.

Plant Based Nutrition | 9/19 6:30-8:00 Feeling bloated or struggling with digestive issues? Have brain fog or a difficult time focusing? Keep trying diets and continue feeling unhealthy or struggle to keep the weight off? Have you heard of the term *plant-based*, but feel too uninformed or overwhelmed to give it a try? Join Sarah Kaminski for a 45-minute educational workshop where you'll learn the basic principles of a plant-centered approach to eating, and how it could work for you.

Frick Lecture Series: Pittsburgh and the American Garden | 9/20 10:30-12:00 Land of Abundance: Pittsburgh and the American Garden: Through this colorful presentation, learn about the history of gardening in America and in the region. From early explorers to our presidents to Pittsburghers like the Frick family, discover how, through our love of gardens, we quite literally have cultivated the American dream. Event fee is \$15.00. Join us in October and November for 2 other Frick lectures; **Domestics in the Gilded Age** and a festive holiday tea with a light lunch and presentation on **Victorian Holiday Traditions**.
