January DIY Teen Take-n-Make Crafts 1/3-1/31 Looking for something fun and educational to do at home during the cold winter months? Check out our DIY take-n-make kit this month. Stop at the library anytime to pick up a kit outside at the front of the library (while supplies last). No registration needed!

Eating for Type 2 Diabetes 1/7 | 7:00-8:00 Learn how to eat for type 2 diabetes and start lowering your blood sugar. Go from feeling confused and frustrated to knowing when, what and how much to eat, all without giving up the foods and life you love. It's time to say goodbye to extreme diets, feelings of confusion, guilt and fear and get results you and your doctor can get excited about.

Booked for Lunch 1/8 | 12:00-1:00 Join us the 2nd Friday of every month for a great discussion! We read fiction and nonfiction titles. Titles are available for checkout at book club meetings and at the Adult Services Desk, and we are always happy to reserve copies. Here's what we're reading this month: *Vesper Flights* by Helen McDonald.

Nonfiction Book Club 1/18 | 2:00-3:00 Please register online. You'll receive the unique Zoom link to attend in your registration confirmation email. We're reading *The Art of Gathering: How We Meet and Why It Matters* by Priya Parker this month. Pick up a copy at the library!

Adult Take-n-Make Kit @ Sharpsburg 1/19 | 4:30-7:00 Don't let winter wind chap your lips - make your own lip balm with our January Take-n-Make kit! We provide all the supplies and instructions. While supplies last.

Grown-Up Take-n-Make Kit @ CSCL 1/29 | 10:00-2:00 Pick up a fun craft in front of the library today from 10-2! Every month, the Adult Services department will share a kit to make something fun and brighten up your winter! This month, we're making some fancy plant pots. In your kit, you'll find a pot, a sharpie and some design inspiration. That's all you'll need! While your pot looks different than the one pictured here, you can make the same kinds of designs on yours! And then, in the spring - fill it with some dirt, a little plant and voila! 15 kits available, get 'em before they're gone!
