EVENTS

HUMAN LIBRARY®

unjudge someone.

Saturday 11/5 | 2pm

@ Sharpsburg

A Human Library® is an event where real people are on-loan (as books) to participants (readers). It's a time where difficult questions are expected, appreciated and answered. By holding a Human Library® event, we hope to foster community building through open dialogue between people from different backgrounds, races, cultures, religions, abilities and lifestyles. Borrow a book for a 30-minute one-on-one conversation that could change your life!

The Human Library® is a global innovative and hands-on learning platform. They are embedded in high school to higher learning, medical training to civic engagement to better our understanding of diversity in order to help create more inclusive and cohesive communities across cultural, religious, social and ethnic differences. Register online.
