

Cell Phone Usage Policy

The Cooper-Siegel Community Library understands that cell phones are a vital component of communication and information gathering. Polite cell phone use and text messaging are permitted with the following provisions:

- Limit your cell phone usage to the library's upper or lower vestibules, enclosed stairwell, group study rooms if available, or outside the library.
- Please refrain from using your cell phone while at the public service desks or during library programs.
- If a cell phone must be used while at a computer station, please keep the conversation brief and quiet so other library patrons are not disturbed.
- Be considerate of others. Honor requests for quiet and move to another location if an unintended distraction occurs.

Thank you for your cooperation.
